Dear Keith,

Newell Brands' Consumer and Commercial Solutions Division has continued to see dramatic increases in raw material costs over the past year. Rubbermaid's Consumer, Commercial and Quickie businesses have worked diligently to offset the effects of these inflationary pressures through multiple productivity initiatives but, unfortunately, these dramatic conditions necessitate pricing action.

**As a result of the aforementioned, we will increase prices on the following categories:**

- Resin Based Products: Up to 8%
- Cotton Based Products: Up to 8%
- Metal/Wire Based Products: Up to 10%

**New pricing will be effective on orders placed August 1, 2018 and thereafter.**

Your Newell Brands Sales Professional will provide the details of this increase and will be available for any questions that you may have.

At Newell Brands' Consumer and Commercial Division, we strive to provide you with the highest levels of quality, service, and value. We appreciate your partnership and we thank you for your business.

Sincerely,

Mark Jackmore  
Vice President, Category and Channel Management  
Newell Brands  
Consumer & Commercial Solutions
