Effective July 1, 2019, HP Inc. will increase list price in the US on select HP Original Small Format Ink Cartridges by a range of 1% to 10%.

This move is a result of HP's standard portfolio management process. As part of this process HP regularly reviews pricing for all its products and makes adjustments, as appropriate.

As always, HP is committed to developing products and services that meet its customers' needs. This includes all HP Original Supplies, which will continue to provide the superior value, reliability and high-quality output that customers have come to expect from HP.

Please contact the HP Supplies Qualified Distributor you purchase from for information regarding specific pricing and availability. All HP Supplies Qualified Resellers are free to set their own resale price.
