## Private Office

### All for one

Who says private offices need to be stodgy or bland? Voi is not your grandfather's collection. With expressive aesthetic options, increased attention to personal storage needs, and multiple surface heights so you can change positions throughout the day, Voi is exactly what you need to tackle the new workday.

Shown with Ignition® 2.0 task chairs and Flock® seating & table.

## Semi-Private

### Divide and conquer

Good things come in small footprints. For shared spaces that bring people together while still offering privacy, Voi provides a versatile selection of workspaces, storage components, and convenient access to power to help go-getters stay productive.

Shown with Endorse® seating and Abound® panels.

# Open Plan

## Open for business

Mix things up. Or make the most of what you've got. When it comes to maximizing space for open plan configurations, Voi just works. Integrating seamlessly with Abound® and Accelerate® workstations, Voi keeps everything out in the open and buttoned-up.

# Teaming

## One for all

Working together has never been easier or in such aesthetic harmony. Voi connects people whether in short-term touchdown spaces or in more collaborative settings with a clean, consistent look and options for postural variety. Talk about being a team player.
